MAIL AND TELEGRAMS.

Prompt attention will be given to mail and telegrams or cables sent in care of Wells Fargo & Company, 51 Broadway, New York; Second and Mission Streets, San Francisco, or to any office named on pages 20, 21 and 22 of this code.

Letters will be forwarded free of charge. Telegrams and cables will be reforwarded by wire if a deposit is made to cover charges; otherwise they will be reforwarded by mail, unopened.

Patrons should register their private cable address at the Company's office or correspondent, otherwise the address must be in full when sent in care of this Company.

Additional spaces have been provided in this code for expressions for private use, that friends may agree upon between themselves.

Wells Fargo & Company Express Travelers Checks are issued in denominations of \$10, \$20, \$50, \$100 and \$200 each, payable throughout the world by the Company's Correspondents and principal Agents, without discount, commission or exchange. (In some countries a Government stamp tax is imposed upon each Check, which the holder must pay.)

In England, Scotland, Ireland, France, Germany, Italy, Belgium, Switzerland, Holland, Norway, Sweden, Denmark, Austria and Russia, the holder will receive the amount and kind of money as shown on the face of the checks, and in all other coun-

tries, where the value of money fluctuates, the current rate of exchange at time of payment will apply.

Checks will be cashed only in the currency of the country in which they are negotiated.

In the United States, Canada, Mexico, Hawaii, Alaska and Yukon the checks will be cashed at the offices of Wells Fargo & Co., Compania Mexicana de Express and at the principal offices of the Adams, American, Canadian, Dominion, Globe, National, Northern, Southern, United States and Western Express Companies, and are accepted by the Pullman Company and also by many railroad companies for transportation; by hotels and merchants generally, in payment of accounts.

IDENTIFICATION.

Each Check carries the signature of the purchaser, and when countersigned, in the presence of the person cashing the check, and the two signatures agree, identification for payment is established.

UNUSED CHECKS.

After 90 days from date of issue the premium charge on all unused Travelers Checks will be refunded to the purchaser if cashed at the office where they were issued.

LOST CHECKS.

In the event of Checks being lost, immediate notice should be given to the Com-

pany's office at 51 Broadway, New York, or 29 Cannon Street, London, giving numbers of the Checks, lost, and particulars regarding the loss. Purchaser should keep a record of the numbers of Checks. Such record should be kept separate and apart from the Checks themselves. The value of lost Checks will be refunded upon execution of a satisfactory bond of indemnity.

Patrons are invited to make free use of the writing and reading rooms provided at our New York, London, Paris and Hamburg Agencies, and to apply for information to any Agent or Correspondent named in this code.

Travelers Checks are sold by many Banks, Railroad and Steamship Agents and at the principal offices of Wells Fargo & Company in the United States and also at the following places:

Liverpool.....	16 Brunswick St.,
London.....	29 Cannon St.,
Paris.....	19 Rue Scribe,
Hamburg.....	32 Ferdinandstrasse,
Rome.....	49 Piazza di Spagna,
Havana.....	3 Bernaza,
Honolulu.....	Waity Bldg.

It is recommended that holders of Travelers Checks provide themselves with a limited amount of money before going aboard ship as pursers do not carry funds for cashing the Checks but nearly all lines accept the Checks on board ship in payment of accounts.

FOR REMITTANCE TO FOREIGN COUNTRIES.

Wells Fargo & Company issues Foreign Money Orders at the current rate of exchange, drawn in Sterling, Francs, Lire, Kronen, Marks, Florins, Kroner, Rubles or Yen.

BAGGAGE AND PARCELS.

Patrons may send baggage or parcels to our New York or London office, to be called for by them or to be held for shipping directions. Travelers thus avoid trouble and expense incident to carrying unnecessary baggage with them and it also often enables them to have their purchases put into one package for shipment to the United States or to other countries.

AUTOMOBILES.

Wells Fargo & Co. will arrange for the boxing and shipping of automobiles to and from Europe and attend to the details of Customs regulations, securing licenses, etc. Full information regarding automobile regulations, etc., in Europe will be furnished upon application to the Company's Foreign Department at New York or London.

PACKAGE AND CUSTOMS DEPARTMENT

A fully equipped Custom House Brokerage Department gives special attention to the clearing and forwarding, by either freight or express, of any goods consigned to this Company, accompanied by definite instructions.

A uniformed representative of Wells Fargo & Co. Express meets principal steamships on arrival at New York, and will attend to the forwarding of baggage in bond under Government seal, transfer to other steamers, etc. This service is especially valuable to strangers arriving in this country, or to women and children traveling alone.
